Instructions for Form 597-A

Nonresident Withholding Waiver Request for Real Estate Sales

References in these instructions are to the Internal Revenue Code (IRC) as of **January 1, 1997**, and the California Revenue and Taxation Code (R&TC).

General Information

A Purpose

Use Form 597-A to apply for a withholding waiver to reduce or eliminate withholding required under R&TC Section 18662 on dispositions of California real estate by nonresidents.

Do not use Form 597-A if you qualify for an exemption as explained in General Information C, Exemptions from Withholding. If you qualify for an exemption, sign Form 590-RE, Withholding Exemption Certificate for Real Estate Sales, and give it to the buyer.

To receive a prompt determination on your waiver request, include all the information needed to allow the Franchise Tax Board (FTB) to make a determination. Read the following instructions carefully. Attach all required documents to support your request to reduce or eliminate withholding. See Section H, What to Include With Form 597-A. Failure to include the required information, signatures and documents can result in either a delay or denial of your request.

B What is Real Estate Withholding?

Real estate withholding:

- Is a prepayment of the amount of tax due from the gain on the sale of California real estate;
- Is not an additional tax on the sale of real estate;
- Is primarily intended to ensure that the tax owed on the taxable gain from the sale will be paid;
- Reduces the likelihood that the seller will be subject to penalties for underpayment of estimated tax; and
- Is similar to wage withholding. As with wage withholding, the amount withheld is claimed as a credit against the tax liability computed at the end of the taxable year.

If the amount withheld is more than the tax liability, the difference will be refunded when a tax return is filed after the end of the taxable year.

C Exemptions from Withholding

An exemption from withholding will be granted if:

- The seller/transferee is a resident of California or a corporation with a permanent place of business or qualified to do business in California;
- The sales price of the California real estate does not exceed \$100,000;
- The seller/transferee is a partnership limited liability company or bank; or
- The real estate was the seller/transferee's principal residence, as defined by IRC Section 1034.

Note: To secure an exemption you must sign a Form 590-RE, Withholding Exemption Certificate for Real Estate Sales and provide it to the buyer.

D Who May File this Form?

The seller/transferee or other person related to the transaction may file Form 597-A to apply for

reduced withholding. R&TC Section 18662 includes provisions that authorize the FTB to grant reduced withholding or waivers from withholding on a case-by-case basis. Generally, reduced withholding or waivers from withholding may be granted when:

- The 3 $\frac{1}{2}$ % withholding exceeds the estimated California tax liability from the sale;

For example:

Selling Price	\$250,000
Withholding Rate	x 3.33%
Withhold Amount	\$ 8,325
Gain on Sale	\$50,000
Maximum Tax Rate	x 9.3%
Tax Liability	\$ 4,650

Note: The maximum tax rates are 9.3% for individuals and 8.84% for corporations.

- The transaction involves an IRC Section 1031 exchange, a foreclosure or an installment sale; or
- The transaction involves multiple sellers, some of whom are nonresidents of California.

E When to File this Form

File Form 597-A as soon as you enter into a contract of sale. The FTB will determine if the waiver request should be approved, partially approved or denied. The FTB usually processes applications within 45 days after receipt of all necessary information. If a response from the FTB has not been received by the time title is transferred, the parties to the transaction may direct the escrow person to hold funds for withholding in trust up to 45 days from the date title is transferred.

If Form 597-A is not filed timely with the FTB and title passes to the buyer/transferee before the application can be processed, withholding of 3 $\frac{1}{2}$ % is required. There is no provision to authorize an early refund after title has passed to the buyer/transferee and the withholding has been remitted to the FTB.

Any withholding waiver issued by the FTB applies only for the limited purpose of determining the withholding obligation under R&TC Section 18662 and does not apply to any substantive issue that may arise in connection with the transfer. The acceptance of any evidence submitted with this application is not binding on the FTB for any purpose other than the withholding waiver.

If you receive a withholding waiver from the FTB that reduces the amount of withholding, you must attach a copy of the withholding waiver to Form 597, Nonresident Withholding Tax Statement for Real Estate Sales.

Note: Do not send a payment with Form 597-A.

Specific Line Instructions

Read and follow the instructions carefully. Attach all required information to your request.

Line 1 – Enter the name, address, telephone number, percentage of ownership, entity type and tax ID number of the seller/transferee for whom the waiver is being requested. If there is more than one seller, attach a separate sheet listing the tax ID number, entity type, name,

address, ownership percentage, California residency status of each seller and whether or not each nonresident seller should be included in this waiver request. If the sellers are husband and wife and will be filing a joint California tax return, enter both names on line 1 and include the spouse's social security number. Otherwise, include the spouse's information on the separate sheet with any other sellers.

Line 2 – Enter the name and address and tax ID number of the buyer/transferee. If there is more than one buyer, attach a separate sheet listing tax ID number, name and address of each buyer involved in the sale. If the buyers are husband and wife and will be filing a joint California tax return, enter both names on line 2 and include the spouse's social security number. Otherwise, include the spouse's information on the separate sheet with any other buyers.

Line 3 – If an escrow company is assisting you with the withholding, **be sure** to include the escrow company's name, address and tax ID number and the escrow officer's name, telephone number and fax number. Upon making a determination, the FTB will fax a copy of the waiver directly to the escrow company, if a fax number is provided.

Line 4a through Line 4h – Enter the appropriate information.

- Enter the property address, including city and zip code. If no street address is available, enter the parcel number and county.
- Enter the escrow number of this transaction.
- Enter the date escrow closed, or if escrow has not closed, the estimated date escrow will close.
- Enter the contract price (total sales price).
- Check the box that indicates the use of the property at the time of sale. State the period of time it was used for this purpose.
- Enter the date purchased. If acquired by a method other than purchase, (e.g., inherited, gifted, foreclosed upon, etc.) please explain and attach additional sheets if necessary.
- Check the box that indicates how the seller acquired the property. Attach additional sheets if necessary.
- Enter the adjusted basis of the property. The adjusted basis is the original purchase price, increased by (add) capital improvements, and other additions and decreased by (less) allowed or allowable depreciation (if used as a rental or for business) and any gains deferred under IRC Sections 1031 and 1034.
Note: Additional mortgages on the property, in and of themselves, do not increase your adjusted basis.

Line 5 – Provide documentation of the adjusted basis such as purchase escrow statement and a schedule of improvements and depreciation. See Section H of these instructions and include all information listed that applies to your situation. If a specific item is not available, provide an explanation. Provide copies only. **Do not** send original documents.
